CHAMBER

Message From NV Chamber Board Chair and CEO

It has been a busy year at the North Vancouver Chamber and we are excited to share our accomplishments with *you* – the heart and soul of what we do!

Your support and energy, as a North Vancouver Chamber *member*, *annual partner*, and *sponsor*, are the lifeblood of our non-profit organization, enabling us to amplify our collective impact in the local business community.

We are pleased to have once again received national recognition for our excellence in leadership, governance, and member offerings, from the Chamber Accreditation Council of Canada.

We enjoyed discussing important economic issues at the diverse range of events we hosted this year, including **The State of Business 2024** and **ELEVATE: Women in Business**, as well as networking with you at our regular Walk & Talks and Business After 5 events.

We celebrated important, home-grown policy initiatives – ranging from investment in senior care to protection of industrial lands – receiving full support at the BC Chamber of Commerce AGM. We continue to foster community leadership by leveraging our resources and networks for meaningful change, including partnering with St. John Ambulance to install the first publiclyaccessible automated external defibrillator (AED) on the North Shore.

Environmental responsibility is important to our future and we are dedicated to leading by example. Earning Gold certification from BC Green Business is demonstrative of this commitment and we are proud to be acknowledged for our sustainability actions.

We are also proud to actively support Impact North Shore's important work with the Racism Response Protocol initiative.

Every year we look forward to spotlighting North Vancouver businesses and non-profits going the extra mile to make this a great place to live and work. Our 2023 Business Excellence Awards program fostered new and invaluable connections and showcased some of North Vancouver's finest!

On behalf of the North Vancouver Chamber Board and Staff, we thank you for your support as we continue to shape a bright future for our community.

Remember to Buy Local and Shop Local!

Megan Campagnolo Board Chair

Patrick Stafford-Smith CEO

Standard of Excellence

We are proud to have once again received national recognition for our excellence in leadership, governance, and member offerings by the <u>Chamber Accreditation Council of Canada</u>.

The North Vancouver Chamber stands in select company as one of six Chambers or Boards of Trade with accreditation status in B.C., and one of 71 in Canada.

"Your accreditation showcases your community as a great place to do business, backed by the support of your exceptional organization."

- Chamber Accreditation Council of Canada

NV Chamber is Gold Certified for green practices!

The North Vancouver Chamber is proud to be recognized for its efforts in integrating environmental and social actions into its operational strategy.

In earning Gold certification from <u>BC Green Business</u>, the North Vancouver Chamber joins a growing, province-wide green business network that is raising the bar for environmental and social responsibility.

Mission

We are the catalyst for a thriving, connected community through strong partnerships, informed members, and bold leadership.
